

MISSION STATEMENT

The Westbrook Trail Blazes is committed to establishing and maintaining a dedicated snowmobile trail system in and throughout the City of Westbrook, ME. We are a recreational club promoting the preservation and protection of our natural environment. We encourage safe, courteous and responsible use of snowmobiles while at the same time providing the best possible enjoyment for all those that utilize our trails. We conduct fund raising to continually make our trail system better and promote social activities that are available to our members. We cooperate and work with all other related organizations, all while showing respect and understanding to the generous land owners that make it possible.
